PART D: QP declaration of GMP compliance

I declare that:

QP Responsibility

I am a QP with specific responsibility for GMP compliance of the active substance manufactured at the sites listed in Part A and I am authorised to make this declaration.

The audit report(s) and all the other documentation relating to this declaration of GMP compliance of the active substance manufacturer(s) will be made available for inspection by the competent authorities, if requested.

GMP Compliance

The manufacture of the named active substance at sites given in Part A is in accordance with the detailed guideline on good manufacturing practice for active substances used as starting materials as required by Article 46(f) of Directive 2001/83/EC and Article 50(f) of Directive 2001/82/EC.

This is based upon an audit of the active substance manufacturer(s).

The outcome of the audit confirms that the manufacturing complies with the principles and guidelines of good manufacturing practice.

Audit

In the case of third party audit(s), I have evaluated each of the named contract acceptor(s) given in Part C and that technical contractual arrangements are in place and that any measures taken by the contract giver(s) are documented e.g. signed undertakings by the auditor(s).

In all cases, the audit(s) was/were conducted by properly qualified and trained staff, in accordance with approved procedures.

Responsibilities in the case of multiple MIAH(s):

This declaration is made on behalf of all the involved QPs named on the relevant MIAH(s) specified in Part B;

A documented procedure defining GMP responsibilities is in place and that technical agreements exist between the named companies concerning management of GMP responsibilities.
